Martha Williamson

Christian Writer & Producer made television history when her CBS series, "Touched By An Angel" set a new standard for inspirational family drama.

We are so excited about our speaker for this year's Prayer Breakfast. Martha Williamson is an excellent speaker that engages the crowd with heartfelt stories and wise words. She is a Christian writer and producer in a mainly secular world and is known as the "Jesus Girl" in Hollywood. She is currently working on many projects with Hallmark Channel including the "Signed, Sealed and Delivered" series.

Martha made television history when her CBS series, "Touched By An Angel" set a new standard for inspirational family drama, attracting a weekly audience of 25 million and exploding into a billion-dollar franchise during its initial nine-year run. As Executive Producer and Head Writer, Williamson guided the series into previously uncharted territory with her unique brand of inspirational storytelling. She also sealed her place in history as the first woman to solely executive-produce two one-hour dramas simultaneously, as her "Promised Land," aired for three years on CBS.

A featured guest on such shows as "Oprah," "60 Minutes" and "Larry King Live" and a member of the Television & Radio Hall of Fame, Williamson has received nine Emmy nominations along with many other prestigious awards, please see our website for a full biography, www.clf1670.org.
