LEARN TO ANSWER THE TOUGH QUESTIONS from some of the leading Christian thinkers of our day.

First Baptist Church of Charleston presents its first Apologetics Conference in partnership with Biola University and the Whitfield Center for Christian Leadership at Charleston Southern University. During this 2-day event you will learn to answer the tough questions from some of the leading Christian thinkers of our day. Join us as Craig Hazen, Clay Jones, and Andrew Blalock tackle some of today's most commonly asked questions. Questions like: Why does God allow evil? Is there evidence for the resurrection? We hope you'll join us as we explore why we believe what we believe as Christians.
